Dear Parents and Guardians:

Thanks so much for a superb year! We have benefited from many community partners that have supported our school. We have had guest speakers, drama presentations; concert bands; historical artifacts shared; helmet and bike safety; skipping experts and much more! It sure adds to our learning and brings unique experiences for our students.

Also, it is pleasing news that our students participated in our annual Track and Field Day at Prince of Wales and went on to participate in our DSNB Track and Field. On June 7, the District Meet will host the top place athletes. We are proud of all "our Knights" that participated in these events and many thanks to you all for coming to cheer on our athletes. Our students love this support! It has been an ideal series and we have been lucky to have rain-free days!

Special thanks to the School Advisory Council that are currently planning and working towards our annual Fun Fair on June 14. Please note the beautiful sign on our front fence advertising to the Thorold community of this amazing event! We can hardly wait for the day! See in the newsletter a list of items that are needed for the classroom baskets and keep creating those menagerie jars! June 15th we travel to Ripley's Aquarium for the day! Students are looking forward to this adventure too. For those students not attending the trip, an alternate school program will be available. Please be aware that we cannot take verbal permission for trips when your child has forgotten to return a permission form. Thanks SAC, for generously paying for our bussing costs for this trip!

As students complete their school year, the staff are working as well, on plans for the upcoming year. At this time, we are planning for two Kindergarten classrooms and grades 1/2; 2/3; 3/4; 5/6; and 7/8. Students are placed in each class, following thoughtful considerations including number of boys and girls per class; identified learning needs in Individual Education Plans; separation of siblings where suitable and student learning needs. Staffing our school is ongoing and there will be a separate letter in June outlining our best guess for September. It is not too late to register your child for Kindergarten. In order to register your child, we require the following documents: Birth Certificate and Immunization Record.

Please let the office know asap if your children will not be attending POW next year due to a move or transfer out of our school boundary. IF they are attending another school, please let us know and register at your new school before the end of June please.

As a staff, we will be continuing to make the last month of the school year a rewarding experience for our students. If there is anything we can do to help you, or any questions that you need answered, please let us know. We are here to help.

From all of us to all of you, have a safe, delightful and fantastic summer.

Mrs. S. Lawrence and the POW Staff

My Dad is special to me because...

He helps me when I need help. Angie, Grade 3

Our annual Fun Fair is scheduled for June 14th. As in past years, SAC needs volunteers. If you would like to help out please contact our school and we will pass your name along! We are looking for donations for the menagerie jars and also the classroom baskets. The themes are as follows:

- Mrs. Belding, Mrs. Gracey, Ms Goulding** **Family Night**
Games; movies, cards, puzzles, snack foods etc
- Mr. Sacco** **Crafting Night**
Markers, glue, construction paper, scissors, glitter
- Mrs. Johnson** **Crazy for Cupcakes**
Baking trays, cake mix, sprinkles, icing, chocolate chips
- Mr. Davidson** **Sunny Daze**
Sports balls, skipping ropes, sidewalk chalk, sunscreen, bubbles
- Mr. Roepke** **Car Wash**
Sponges, soap, interior wipes, glass cleaner
- Mrs. Brown** **Spa Day**
Lotion, candles, Epsom slats, bubbles, manicure, Pedicure necessities
- Mrs. Bishop** **Candy Land**
Chocolate bars, fuzzy peaches, sweet tarts

Once the warm weather arrives, the style of student dress will change, hence the need for a reminder of the expected dress code. Shorts should not be the "cut off" style, therefore we expect them to be hemmed and reasonable length. Tops must come to below the waist band of pants (no bare midriffs). Shoulder straps should be two fingers wide. Offensive or suggestive messages on t-shirts are not to be worn. If staff considers clothing to be inappropriate the student will be asked to change. Bandanas and headbands are not allowed at school. Thank you for your cooperation.

Our Jump Rope and Hoops for Heart event will be on June 16th. Working together for such a worthy cause is awesome. On behalf of the Heart and Stroke Foundation thank you for your participation and donations.

Menagerie Jar: Due June 8th~

Find a jar: reusable water bottle, snack container (preferably plastic for safety). Fill with any new items that a child would enjoy (new hair ties, new toys, gumballs, pencils ~ the sky is the limit! Bring in filled jars to the home-room teacher please!

GRADE 4 TRIP TO THE

Congratulations Will !

He qualified to be the Prince of Wales representative at the District Track and Field Meet on June 7th. His event is High Jump and we wish him all the best!
