Message from the Principal

November is the month we take the time to honour our veterans and at the same time, celebrate peace. At times it is easy to take this country and our Charter of Rights for granted. We believe we live in a country which offers us a high standard of living and values a strong public education system. However, it is imperative that we take the time to remember those who paid the supreme price so we could enjoy all that this democracy has to offer.

I urge you, as a parent and an educator, to take the time with your family to remember those who have proudly defended our country and those who have served in peacekeeping operations around the world. Canadians are respected around the world as a nation of peacekeepers. We have a proud tradition of maintaining peace.

Be proud to be a Canadian, celebrate this nation and all that it has to offer but most of all ... remember those who gave their lives so that we could enjoy this land. Parents are welcome to join us for the Remembrance Day Ceremony being held on **Wednesday, November 11th, 2015.**

When we do begin, please ensure that your child has warm clothing as the arena is very cold. We will try to get every student fit with a hockey helmet
